Effective date
18 August 2026

Effective 18 August, BetaShares Capital Limited issued a Supplementary Product Disclosure Statement (SPDS) dated 18 August 2026 for the BetaShares FTSE RAFI Australia 200 ETF (QOZ). The SPDS supplements the existing Product Disclosure Statement dated 19 March 2021 and outlines changes that will take effect after the close of ASX trading on 18 September 2026.

The investment's ASX trading code will remain QOZ.

QOZ will continue to provide passively managed, fully replicated exposure to the 200 companies listed on the ASX with the largest fundamental values, weighted in proportion to those values. Total management fees and costs remain 0.40% p.a. There are otherwise no changes to the QOZ's characteristics.

These changes will take effect following the close of ASX trading on 18 September 2026.
