Product Update effective 15 October 2026

Additional information to the Product Disclosure Statements (PDS) and documents incorporated by reference for the following product:

- Cornerstone Portfolio Service Super and Pension (issued 1 July 2026).

Changes to partial withdrawals in Retirement Boost (Pension)

From 15 October 2026, partial withdrawals are now available at other times during the year, up to the annual maximum limits.

This requires an update to the following text which appears on page 16 of the Cornerstone Portfolio Service Super and Pension PDS (issued 1 July 2026):

Before

Only one partial withdrawal can be taken annually, at the end of each financial year.

After

Partial withdrawals can be taken at any time during the financial year, up to the annual maximum limit.
